Annual Report- 2019-20

**Dr. Kusumlata Nigwal
Principal**

Part I

- 1. The Principal's Report (2 pages)** - Highlights the key activities, events, and successes of the past year and briefly describes major new initiatives to be undertaken over the next year.

Govt. Maharani Laxmibai, P.G. Girls College is a Govt. funded college affiliated to D.A.V.V. Indore. It is a multi-faculty college and offers a wide range of under graduate & post graduate program. 06 programmes (B.A., B.Sc., B.Com, B.B.A., Library Science and B.Sc. Home Science) are offered at under-graduate level. 15 programmes M.A. (Hindi, English, Political Science, History, Sociology, Economics, Psychology, Instrumental Music, Drawing & Painting and Dance), M.Sc. (Chemistry and Bio-chemistry), M.Sc. Home Science (Food & Nutrition, Textiles & Clothing) and M.Com are offered at post-graduate level.

Being a Govt. institution, it has a limited flexibility to frame the syllabi. For under-graduate classes' unified syllabus, designed by the Department of Higher Education, Bhopal is followed. For Post-graduate programmes, syllabus is prescribed by the university.

The institution takes all necessary measures for the effective implementation of the curriculum. The academic calendar, issued by the Department of Higher Education, is followed by the teaching staff. At the beginning of the session, Principal holds the staff council meeting, in which the entire chalked out plan is discussed and conveyed to the staff. For translating the curriculum effectively, the teachers strictly follow the time-table prepared by the committee. The institute extends its full support by providing all the facilities like separate departments, computers, internet and departmental library to improve teaching practices.

Many professors of institution being chairpersons and members of Board of studies of the university play a vital role in the development of curriculum for the programmes of Post-graduation, M.Phil. and Ph.D. entrance exams. The institute offers academic flexibility to the students by providing a variety of subject combinations at U.G. level.

3. Annual improvement in academic, research & administrative Initiatives

- **Academic Initiatives**

The institution makes its utmost efforts to cater to the educational needs of students, belonging to different categories. To achieve academic excellence, the institution adopts pragmatic approaches. A complete transparency is maintained in the admission process, as admissions are made strictly according to the norms of Higher education. The institution adheres to the reservation policy for ST/ST/OBC and differently abled students. Publicity for admissions is done through the prospectus and the college website <http://mlbgpgindore.org>. The success of institution is evident from the constant increase in the strength of students.

For making teaching-learning process effective, the teachers use various teaching methods to suit students of diverse learning abilities. Weak students are provided extra-coaching through notes and lectures. For better comprehension and practical knowledge, students undertake projects, internship and field visits, which give them an opportunity to have a deeper insight into the subject. The institution has highly qualified and competent teachers who constantly strive for individual excellence and keep themselves abreast of latest developments by attending national and international seminars, workshops and training courses.

To make learning more student-centric, a good infrastructure has been provided to all the departments which include well-established libraries and laboratories, projectors, computers with internet facility, which widen the horizon of knowledge. To nurture critical thinking, creativity and scientific temper amongst students, the institution ceaselessly organizes various curricular and co-curricular activities. Many eminent scholars are invited to deliver lectures on various topics to share their knowledge and experience with the students and teachers.

Activity and literary clubs, exhibition, cultural programmes and sports events give students a platform to express their hidden talents. Students' capabilities are assessed through CCEs, group discussions, assignments, surprise tests and their performance in university exams. The institute also receives feed-back from the Students regarding the performance of the faculty.

- **Research Initiatives**

The institute has well qualified and experienced faculty, most of them are having more than thirty years of experience. There are fifty seven regular professors, out of which fifty three professors have Ph.D. degree. There are twenty eight guest faculties, out of which ten teachers have doctoral degree, six have cleared NET and five have done SLET. Twenty four faculty members are registered guide. Institute is research Centre for six subjects namely: Chemistry, Drawing & Painting, Dance, and English, Home science and Psychology. Incentives are provided to teachers for research in the form of duty leave and study leave.

Institute has a well-established main library; each department has a separate library which is used for research work by the students and faculty. Teachers and students (Ph.D. Scholars) avail the facilities of the laboratories. The institutes provide computer and internet facility to enhance research work.

Ten numbers of students have been awarded Ph.D. degree in the year 2019-20. Ten numbers of papers have been published in National journals and twenty three in international journals of repute. Two hundred and eight seminars/ conferences, twenty six workshops, seventeen Faculty Development Programmes and two Short Terms Courses have been attended by the faculty. The members of the staff utilized their time during the lock-down period in a fruitful manner.

- **Administrative Initiatives**

Principal is the head of the institution who appoints an administrative officer. An IQAC is constituted at the beginning of the session to chalk-out its plan for the quality enhancement and progress of the institution. Under the guidance of Principal various committees are formed to execute the plan. Members of the committee, under the supervision of their respective conveners, implement the various tasks allotted to them.

The principal holds meetings with alumni, stake-holders and students to invite

suggestions for the progress of the institution. Staff council meetings are also conducted, at least thrice a year, to discuss major issues like admissions, student union election, examinations etc. Heads of the departments are given freedom and flexibility to take their own decisions in the interest of the students and institution. Various welfare schemes are available for teaching and non-teaching staff such as GIS, GPF, Medical leave, maternity leave. The institution ensures that grievances/complaints are promptly attended to and resolved effectively by respective committees.

Class III and class IV employers' recruitment and grievances, decisions regarding official matters and financial matters are made through meetings with the office staff under the supervision of Principal. By the end of the session all the proposed and implemented plans are evaluated and reviewed by the head of the institution and members of IQAC.

The institute receives additional fund through self-finance courses, which are used for the development of institution and the disbursement of salary to the teachers working under self-finance scheme. The accounts of the college are audited by internal and external auditors.

9. Events and Initiatives (5 pages)

Describes major events including seminars, conferences, competitions, student study trips etc. Focuses on what was achieved and learned, and how the college will follow up. Describe significant academic, administrative, student support, fundraising, and other initiatives over the past year. The description of each initiative will be structured around the need for the initiative, how it was designed, what resources were used, what results were achieved, and which features of the initiative drove success.

- **Student Support**

The record of progression of students is quite remarkable. Detailed information regarding criteria for admission, rules and regulations, courses offered, eligibility, fee structure etc. are made available on college website. The syllabi for Under-Graduate classes are accessible on M.P. Higher Education website, whereas Post-Graduate programmes are available on the website of Devi Ahilya University, Indore. As most of the students come from economically weaker section of the society (SC, ST, OBC, Physically challenged), they get financial assistance in the form of various scholarships. Meritorious students also get financial help under Pratibha Kiran Yojna'. Students of N.S.S., N.C.C. and Sports are given extra facility of appearing in practical and internal exams other than scheduled time-table. Sports students are provided with incentives in

the form of kits, certificates, cash and other articles.

To make the students aware about job prospects in various fields, the Career Guidance/Placement Cell works ceaselessly throughout the session by organizing, workshops, seminars and career fair. Renowned scholars and experts are invited to deliver lectures and enlighten students, especially about communication skills, personality development and spoken English. Despite coming from conservative families, many girls avail job opportunities, like - running their boutiques, coaching classes, serving in schools as, teachers and working as dietitians in well-known hospitals. Various departments like Commerce, Computer Science, Psychology, English, Home Science, Mathematics, Drawing & Painting and Dance motivate the students to become self-reliant and develop entrepreneurial skills. Activity clubs for students too, help in grooming their personality.

- **Events & Initiatives**

The institute took all necessary measures for the effective implementation of the curricular and co-curricular activities.

Academic calendar issued by the Dept. of Higher Education was followed by the teaching staff. The C.C.E. for Internal assessment, marks was conveyed to the students and the assignments submitted by them were discussed.

Every department formed an activity club in which various activities like group discussion, paper presentation, on the spot story writing competition, quiz and talent search programmes were organized. Throughout the session departments & career guidance cell organized lectures of renowned scholars from various fields on behavioral aspects, independent learning, communication skill etc. for the overall development of the students. The student displayed their creativity and imagination through power point presentation. 208 students joined NSS, Participated and volunteered their services in various camps organized at different places. Camp for cleanliness was held, articles made by visually impaired and mentally retarded children were sold by NSS students to give them financial support. Guest lectures were organized to make the students aware about Parliamentary procedure. Besides these various other activities were also carried out throughout the session. Under sports activities students participated in various University & State level competitions and won prizes. In Youth festival also students participated in Dance, Music and Drawing & Painting competitions. Twelve students brought laurels to the institution.
