- 1. The Principal's Report (2 pages)**- Highlights the key activities, events, and successes of the past year and briefly describes major new initiatives to be undertaken over the next year.

Govt. Maharani Laxmibai, P.G. Girls College is a Govt. funded college affiliated to D.A.V.V. Indore. It is a multi faculty college and offers a wide range of under graduate & post graduate programme. 06 programmes (B.A., B.Sc., B.Com, B.B.A., Library Science and B.Sc. Home Science) are offered at under-graduate level. 15 programmes M.A. (Hindi, English, Political Science, History, Sociology, Economics, Psychology, Instrumental Music, Drawing & Painting and Dance), M.Sc. (Chemistry and Bio-chemistry), M.Sc. Home Science (Food & Nutrition, Textiles & Clothing) and M.Com are offered at post-graduate level.

Being a Govt. institution, it has a limited flexibility to frame the syllabi. For under-graduate classes' unified syllabus, designed by the Department of Higher Education, Bhopal is followed. For Post-graduate programmes, syllabus is prescribed by the university.

The institution takes all necessary measures for the effective implementation of the curriculum. The academic calendar, issued by the Department of Higher Education, is followed by the teaching staff. At the beginning of the session, Principal holds the staff council meeting, in which the entire chalked out plan is discussed and conveyed to the staff. For translating the curriculum effectively, the teachers strictly follow the time-table prepared by the committee. The institute extends its full support by providing all the facilities like separate departments, computers, internet, departmental library etc., to improve teaching practices.

Many professors of institution being chairpersons and members on Board of studies of affiliating university, play a vital role in the development of curricula for the programmes of Post graduation, M.Phil and Ph.D. entrance exams. The institute offers academic flexibility to the students by providing a variety of subject combinations at U.G. level.

3. Annual improvement in academic, research & administrative Initiatives

- **Academic Initiatives**

The institution makes its utmost efforts to cater to the educational needs of students, belonging to different categories. To achieve academic excellence, the institution adopts pragmatic approaches. A complete transparency is maintained in the admission process, as admissions are made strictly according to the norms of university. The institution adheres to the reservation policy for ST/ST/OBC and differently abled students. Publicity for admissions is done through the prospectus and the college website www.vlbcindore.org. The success of institution is evident from the constant increase in the strength of students.

For making teaching-learning process effective, the teachers use various teaching methods to suit students of diverse learning abilities. Weak students are provided extra-coaching through notes and lectures. For better comprehension and practical knowledge, students undertake projects, internship and field visits, which give them an opportunity to have a deeper insight into the subject. The institution has highly qualified and competent teachers who constantly strive for individual excellence and keep themselves abreast of latest developments by attending national and international seminars, workshops and training courses.

To make learning more student-centric, a good infrastructure has been provided to all the departments which include well-established libraries and laboratories, projectors, computers with internet facility, which widen the horizon of knowledge. To nurture critical thinking, creativity and scientific temper amongst students, the institution ceaselessly organizes various curricular and co-curricular activities. Many eminent scholars are invited to deliver lectures on various topics to share their knowledge and experience with the students and teachers.

Activity and literary clubs, exhibition, cultural programmes and sports events give students a platform to express their hidden talents. Students' capabilities are assessed through CCEs, group discussions, assignments, surprise tests and their performance in university exams. The institute also receives feed-back from the

Students regarding the performance of the faculty.

- **Research Initiatives**

The institute promotes research culture along with teaching. To enhance research work, the college has set up a research development committee with the objective of facilitating and monitoring research activities. The institute is a recognized research centre in Psychology, English, D/P, Chemistry and Home Science. 17 Professors are registered guides under whose guidance 61 research scholars are pursuing their research work for the degree of Ph.D. 08 Candidates have been awarded the doctoral degree and 05 have submitted their theses in past year. The institute provides all possible facilities like library, computers, internet etc. to research scholars for pursuing their work. Teachers of the institute are also encouraged to undertake their research work. 42 are Ph.D. holders and four have the degree of M.Phil as highest qualification. Two professors are pursuing their research work for Ph.D.

International seminars were organized by the Dept. of Hindi and 2 seven day workshops were conducted by the Dept. of Home Science & the Dept. of Drawing & Painting.

In these international seminars 136 and 105 research papers were presented respectively. All research papers of this institute (Govt. Maharani Laxmibai, P.G. Girls College, Kila Bhavan, Indore) were published in the form of book with ISSN No. containing 38 research papers of this institute. Teachers of various departments have attended 08 national, 58 international and 03 regional seminars, 72 research papers have been published in various national & international journals.

- **Administrative Initiatives**

Principal is the head of the institution who appoints an administrative officer. An IQAC is constituted at the beginning of the session to chalk-out its plan for the quality enhancement and progress of the institution. Under the guidance of Principal various committees are formed to execute the plan. Members of the committee, under the supervision of their respective conveners, implement the various tasks allotted to them.

The principal holds meetings with alumni, stake-holders and students to invite suggestions for the progress of the institution. Staff council meetings are also conducted, at least thrice a year, to discuss major issues like admissions, student union election, examinations etc. Heads of the departments are given freedom and flexibility to take their own decisions in the interest of the students and institution. Various welfare schemes are available for teaching and non-teaching staff such as GIS, GPF, Medical leave, maternity leave. The institution ensures that grievances/complaints are promptly attended to and resolved effectively by respective committees.

Class III and class IV employers' recruitment and grievances, decisions regarding official matters and financial matters are made through meetings with the office staff under the supervision of Principal. By the end of the session all the proposed and implemented plans are evaluated and reviewed by the head of the institution and members of IQAC.

The institute receives additional fund through self-financing courses, which are used for the development of institution and the disbursement of salary to the teachers working under self-financing scheme. The accounts of the college are audited by internal and external auditors.

9. Events and Initiatives (5 pages)

Describes major events including seminars, conferences, competitions, student study trips etc. Focuses on what was achieved and learned, and how the college will follow up. Describes significant academic, administrative, student support, fundraising, and other initiatives over the past year. The description of each initiative will be structured around the need for the initiative, how it was designed, what resources were used, what results were achieved, and which features of the initiative drove success.

- **Student Support**

The record of progression of students is quite remarkable. Detailed information regarding criteria for admission, rules and regulations, courses offered, eligibility, fee structure etc. are made available on college website. The syllabi for Under-Graduate classes is accessible on M.P. Higher Education website, whereas Post-Graduate programmes are available on the website of Devi AhilyaVishwavidyalaya, Indore. As most of the students come from economically weaker section of the society (SC, ST, OBC, Physically challenged), they get financial assistance in the form of various scholarships. Meritorious students also get financial help under 'PratibhaKiranYojna'. Students of N.S.S., N.C.C. and Sports are given extra facility of appearing in practical and internal exams other than scheduled time-table. Sports students are provided with incentives in the form of kits, certificates, cash and other articles.

To make the students aware about job prospects in various fields, the Career Guidance / Placement Cell works ceaselessly throughout the session by organizing, workshops,

seminars and career fair. Renowned scholars and experts are invited to deliver lectures and enlighten students, especially about communication skills, personality development and spoken English. Despite coming from conservative families, many girls avail job opportunities, like - running their boutiques, coaching classes, serving in schools as, teachers and working as dietitians in well-known hospitals. Various departments like Commerce, Computer Science, Psychology, English, Home Science, Mathematics, Drawing & Painting and Dance motivate the students to become self-reliant and develop entrepreneurial skills. Activity clubs' for students too, help in grooming their personality.

- **Events & Initiatives**

The institute took all necessary measures for the effective implementation of the curricular and co-curricular activities.

Academic calendar issued by the Dept. of Higher Education was followed by the teaching staff. The C.C.E. of Internal assessment marks were conveyed to the students and the assignments submitted by them was discussed.

Every department formed an activity club in which various activities like group discussion, paper presentation, on the spot story writing competition, quiz and talent such programmes were organized. Throughout the session to departments & career guidance cell organized lectures of renowned scholars from various fields on behavioral aspects, independent learning, communication skill etc. for the overall development of the students. The student displayed their creativity and imagination through power point presentation. More than 200 students joined NSS participated and volunteered their services in various camps organized at different places. Camp for cleanliness was held, articles made by visually impaired and mentally retarded children was sold by NSS students to give them financial support. Guest lectures was organized to make the students aware about Parliamentary procedure. Besides these various other activities were also carried out through out the session. Two international seminars and Two seven days' workshop were organized by different departments during the session. Under sports activities students participated in various University & State level competitions and won prizes. In Youth festival also students participated and Dance, Music & Drawing & Painting competitions. Two students brought laurels to the institution.

NCC cadets of the institution gave remarkable performance throughout the session. One of the cadets was selected for International Youth Exchange Programme. Four cadets were selected S.S.B. Agra camp. Cadet Himani Ahirshinge was selected OTA Gwalior camp.

12. Looking Ahead (3 pages) Future Plans

Lays out the college's priorities and goals over the coming year. Describes key initiatives planned, what each initiative is expected to achieve, and how it will contribute to the college's long term development.

Key Initiatives Planned/ implemented

S. No.	Head (administrative/ academic, etc)	Nature of proposal	Expected Outcome
01	Academics	Language lab	For the upgradation of Language Lab. Computers, Softwares, recorders and other accessories will be required. The establishment of lab would help in improving the communication skills of students, develop their personality and would prepare them to face job interviews.

	Advancment of Laboratories	<u>Department of Chemistry</u> –Upgradation of the laboratory with modern equipments and related accessories would help PG students in acquiring practical knowledge of the subject and developing their comprehension. The equipments also help in research activity (Atomic Spectoscopy, Polarograph, Cyclovoltameter, Flame Photometer, Sample Preparation Equipments, Automated Dilution System, Automatic Titrator, Chemisorption Analyser, Megnatic Analyser, Dropping Point Appartus, HPLC, GC etc.).
	Advancment of Laboratories	<u>Department of Home Science</u> - Modern equipments would help UG & PG students in acquiring practical knowledge of the subject and developing their comprehension (Planetroy Mixer, Refrigerator, Fibrograph Digital, Fineness Tester, Beesley Balance, Fabric Breaking Tensile Testor, Shriley Sliffness Testor, Deckoven Single, Wall Shelves etc.).
	Advancment of Laboratories	<u>Department of Psychology</u> - Modern equipments would help UG & PG Students in acquiring practical knowledge of the subject and developing their comprehension (MULLER LYER ILLUSION, SPAN OF IMMEDIATE MEMORY, RECALL OF COMPLETED, RETROACTIVE INHIBITION EFFECT OF SIMILARITY OF ORGINAL MATERIAL, TACHISTOSCOPR CARDS, MCDOUGALL DISE, METRONOME, ETC).
	Library upgradation	Keeping in view the increasing strength by students in college not only books but also a spacious reading room, computers and furniture are required. Library is a necessity of every educational institute, hence a well equipped library & a proper reading room are essential. More number of computers will increase the accessibility to e-books & journals.

		Upgradation of Hall	For the upgradation of hall adequate furniture, proper sound & light system, cordless mike, hanging mike, camera, curtains and other accessories are required. As the institute is deprived of adequate platform where students may exhibit their academic, cultural & social performances, hence the upgradation of the hall would help the students in honing their talent and grooming their personality. Yoga classes can also conducted for physical, mental & spiritual health of students.
		Sports Facilities	For Sports like Table Tennis & Badminton, different sport items like – Table tennis table, bats, balls, table net, shuttle cocks, badminton rackets, net etc. would be required. Girls in the past years have shown immense potential in various sports. Hence facility of such indoor games should necessarily be provided to them, as this would give them opportunities to participate in inter collegiate and university level sports competitions.
02	Administrative	Faculty Development Programme	Use of computer has become indispensable, hence computer training programmes for staff and employees would help in the upgradation and development of the institute.
		Water harvesting system	As the college has a huge campus hence water harvesting system can prove to be a great success in saving water. As the level of underground water is depleting the scarcity of water is created. Hence setting up of water harvesting system would provide ample water for drinking and for trees & plants.
